DOVE SEASON SEPT. 16 TO DEC. 31.

Washington, June 16:- The mourning dove open season in Mississippi is from September 16 to December 31 and not from September 1 to December 16, according to officials of the Biological Survey, United States Department of Agriculture. Recent press notices publishing the earlier dates are incorrect. The mourning dove is a migratory bird and therefore subject to Federal regulations under the Migratory Bird Treaty Act.
